Interior Health

Welcome to the Interior BOOST Collaborative Learning Session 2

*****Please type your name and location in the chat*****

Thursday, November 24th, 2022

The session will be recorded for educational purposes—if there are any concerns with this, please send a direct message to Alysia Simon/CfE BOOST (host)

Land Acknowledgement

We would like to begin by acknowledging that the land on which we gather is the traditional, ancestral, unceded and occupied homelands of the Coast Salish peoples, including

the seven Interior Region First Nations, where we live, learn, collaborate, and work together. This region is also home to 15 Chartered Métis Communities. It is with humility that we continue to strengthen our relationships with First Nation, Métis, and Inuit peoples across the Interior.

We also want to acknowledge that others may be joining from different traditional homelands today.

This acknowledgment is a reminder of the discriminatory, racist, and colonial practices that have had a lasting legacy, and continue to create barriers for Indigenous peoples in the healthcare system.

Learning Objectives

By the end of the session, participants will be able to:

- Increase comfort level testing and measuring change ideas using the Model for Improvement
- Understand how to Adopt, Adapt or Abandon tests of change
- Identify change ideas and strategies other Collaborative teams are testing/implementing
- Develop and implement an action plan for Action Period 3
- Network with other Collaborative teams and use them as a resource

Event Opening & Words of Welcome

*We are honoured that Elder Elaine Kruger is here with us this morning,
a Syilx Nation Elder,
to provide a welcome and to help us open this session in a good way.*

We thank her for her wisdom.
