

RETAIN Initiative

The BC Centre for Excellence in HIV/AIDS will be coordinating with medical health officers at each Health Authority to provide community care nursing follow-up for all eligible patients.

BRITISH COLUMBIA
CENTRE *for* EXCELLENCE
in HIV/AIDS

RETAIN Initiative

RETAIN is an initiative to provide more outreach support for clinicians to engage their patients in HIV care. It involves routine coordination of outreach nursing support for your patients who have interrupted ART or not yet initiated HIV treatment.

For more information, please email RETAIN@cfenet.ubc.ca.
