

# TOP COLLABORATIVE LAUNCH

HARISH NEELAKANT

CLINICAL PERSPECTIVE

WHY:  
BETTER

- symptoms
- functional outcomes
- general prognosis

REDUCE

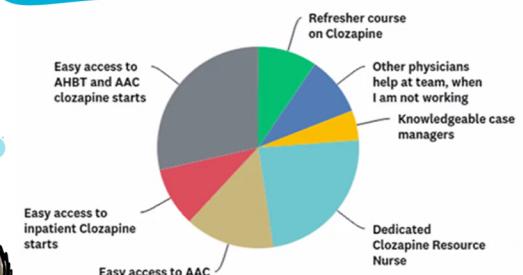

- suicide
- self-medication
- involvement with justice system
- hospital readmission

I NEED Information

We need improvements in the HEALTH CARE System ...

IMAGINE ... IF SOMEDONE BEGAN TREATMENT at 20... instead of 50?

WHAT WILL HELP WITH CLOZAPINE STARTS in COMMUNITY

the god + devil are fighting FOR ME

my son with PSYCHOSIS was struggling in HIGH SCHOOL... trying to find

HELP...

asking him to leave HOME... ends up in JAIL FOR 2 YEARS

I WANT TO HELP OTHER FAMILIES

NO DIAGNOSIS DISCOVERED THE SCHIZOPHRENIA SOCIETY I FELT HEARD!

FAMILY MEMBER OF SOMEONE WITH LIVED EXPERIENCE

my son now lives with his Condition - independently!
